

BULLE SIVAKRISHNA

Software Engineering Student

Gmail: sivakrishnabulle19@gmail.com | **Num:** +91-8919554973

LinkedIn: <http://www.linkedin.com/in/b-sivakrishna-5825a1371>

GitHub: <https://github.com/BSivakrishna4>

Address: Raptadu village, Anantapur District, Andhra Pradesh

EDUCATION

Bachelor of Technology in Computer Science & Engineering | 2024 – 2028

KL University, Guntur, Andhra Pradesh

Currently in 2nd Year | Expected Graduation: 2028

Intermediate (Class XII) | 2022 – 2024

Narayana Junior College

Percentage: 95%

Secondary School (Class X) | 2022

St. Vincent EM School

Percentage: 88%

TECHNICAL SKILLS

Programming Languages: C, Python, Java

Web Technologies: HTML, CSS

Core Concepts: Data Structures, Algorithms, Object-Oriented Programming, Database

Tools & Platforms: Git, GitHub, VS Code, Node.js, React

CERTIFICATIONS

GitHub Copilot Certification – AI-assisted coding and development workflows

NPTEL – Machine Learning

Cambridge Linguaskill (General) – CEFR B1

Demonstrated professional English proficiency with strong speaking skills (B2) and effective reading, writing, and listening abilities for academic and workplace communication

PROJECTS

Student Feedback and Evaluation System | College Hackathon Project

Technologies: HTML, CSS, Python

- Developed a web-based student feedback system to collect and analyze feedback on courses and faculty
 - Implemented role-based authentication with Admin and Student dashboards
 - Designed Admin panel to manage faculty, courses, and feedback reports
 - Built Student interface for submitting ratings and suggestions
 - Collaborated with team members to ensure smooth evaluation workflow
-

ACHIEVEMENTS & ACTIVITIES

- Participated in a college hackathon contributing to a complete web-based project
 - Collaborated effectively with a team to deliver features within deadlines
 - Completed a social internship focused on green innovation and environmental sustainability
 - Good knowledge of Excel and PowerPoint presentations
-

ADDITIONAL INFORMATION

Languages: English, Telugu

Interests: Cloud Computing, Web Development, Problem Solving
